

Enjoy Low Prices on Hearing Aids

Like vision loss, hearing loss can have a huge impact on your quality of life. However, the cost of a pair of quality hearing aids usually costs more than \$5,000, and few people have hearing aid insurance coverage.

TruHearing® is making hearing aids affordable by providing exclusive savings to all VSP® Vision Care members. You can save up to \$2,400 on a pair of hearing aids with TruHearing pricing. What's more, your dependents and even extended family members are eligible, too.

In addition to great pricing, TruHearing provides you with:

- Three provider visits for fitting, adjustments, and cleanings
- 45-day money back guarantee
- Three-year manufacturer's warranty for repairs and one-time loss and damage
- 48 free batteries per hearing aid

Plus, with TruHearing you'll get:

- Access to a national network of more than 4,500 licensed hearing aid professionals
- Straightforward, nationally fixed pricing on a selection of more than 90 digital hearing aids in 400 styles
- Deep discounts on replacement batteries shipped directly to your door

Best of all, if you already have a hearing aid benefit from your health plan or employer, you can combine it with this program to maximize the benefit and reduce your out-of-pocket expense.
